***Fallbrook Riders Inc.
Friends of the Field Sponsorship Program***

Fallbrook Riders is a not-for-profit 501c3 community equestrian organization based at our 10-acre multi use facility on S. Stagecoach Lane in Fallbrook. The organization was founded in 1950 and has been in continuous operation since then, with a member base of over 150 people. We have been the home to Fallbrook Pony Club, a member of United States Pony Clubs, a national youth equestrian organization teaching life skills through horsemanship, since 1979.

Our facility hosts a number of Western and English equestrian activities each year, including clinics, horse shows, educational seminars and summer camps. Our facility features two large riding arenas as well as an extensive cross country riding course and a western trail challenge obstacle course.

We also make the facility available for non-equestrian activities such as company picnics, clubs and community activities.
